

**TACKER N 200 ZH 16**

designed for stapling the strongest double and triple corrugated cardboard.

Heavy-duty staples with leg lengths from 19 – 38 mm (3/4-13/4") give high stability to tacked cartons.

Carton-thickness up to 30 mm (13/16") can be stapled.

Loading capacity: 110 wide crown staples with crown size of 23 mm. (1")

The Tacker is light and easy to use. Its reliability and high accessibility are outstanding.

**Technical Datas**

Weight: 2,2 kg  
 Height: 250 mm  
 Length: 335 mm  
 Airpressure : 5,5 - 8 bar  
 Air-consumption: 1,5 Ltr./ Staple  
 Loading capacity 110 staples

Matching staple made of flat wire  
 23 mm crown-size, with C – tip.

**TACKER with POGOSTICK – Staple release through a valve on the upper side of the POGOSTICK**

Staple	Leg length mm inch	Packing Box
ZH 16 - 19	19 = 3/4"	10.000
ZH 16 - 25	25 = 1"	10.000
ZH 16 - 30	30 = 13/16"	10.000
ZH 16 - 38	38 = 1 1/2"	10.000
ZH 16 - 45	45 = 1 3/4"	10.000

**POGOSTICK (Long Handle)  
 for pneumatic release**

measurement:

Length 900 mm  
 Width ca. 130 mm  
 Weight ca. 2,1 Kilo
